Salesforce Developer with 3+ years of experience in **Apex**, **LWC**, and system integrations, backed by a strong **.NET** background.

EXPERIENCE

07.2022-... **Software Development Executive** (Currently)
Gurok Group Istanbul, Turkey

- Designed and implemented **Salesforce**-based solutions for sales and customer experience processes, including integrations with external systems using **REST/SOAP** APIs and **.NET Core** services.
- Developed and maintained scalable integrations between Salesforce and **ERP** platforms, improving data flow, automation, and system reliability.
- Built custom solutions using **Apex**, **LWC**, and SOQL to support data modeling, business logic, and end-to-end process automation.
- Actively participated in **CI/CD** and deployment processes using **Azure DevOps**, ensuring reliable and efficient releases.
- Collaborated with cross-functional teams to deliver projects aligned with business requirements in manufacturing and tourism domains.

03.2022-06.2022 **Software Developer Intern** (3 months)
Ryse Soft Ankara, Turkey

- Developed scalable REST APIs for a mobile quiz application using **.NET Core Web API**.
- Analyzed, designed, and documented solutions to ensure scalable and reusable code.
- Added features and resolved bugs in a **.NET Blazor**-based web application.

06.2021-08.2021 **Software Developer Intern** (2 months)
Gri Yazılım Ankara, Turkey

- Contributed to the development of the online collection/payment product, 'Paymendo'.
- Built and optimized microservices for the payment system backend using **.NET Core**.
- Improved user experience for Paymendo by reducing latency.

EDUCATION

09.2017-06.2022 **Engineering Faculty - Computer Engineering**
TED University
Ankara, Turkey

09.2013-06.2017 **Umitkoy Anadolu Lisesi**
Ankara, Turkey
